

CAREERS AT LOC

LOC is a specialist client-side consultancy that partners with private and public sector organisations to successfully deliver complex programmes.

We pride ourselves on providing independent, skilled and experienced delivery capability for our clients. We take an intuitive approach when working with our clients to engender a delivery culture and a focus on business priorities.

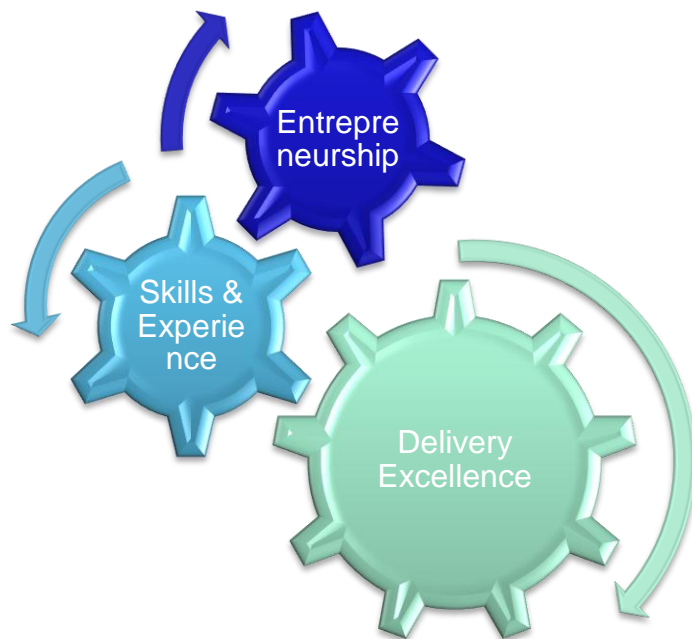

LOC employ dynamic, innovative consultants who specialise in change management and programme delivery, drawing on a wealth of knowledge and experience to ensure the highest quality of service.

As we continue to develop and grow, we are looking for both Permanent and Associate Consultants keen for a new challenge and motivated to succeed in an environment where it is possible to really make a difference.

Permanent Roles: do you have what it takes to be a LOC Consultant?

We are currently looking to fill vacancies at all levels. We offer a generous remuneration package with a significant bonus element designed to reward success and a range of other benefits. In return we are looking for people who:

- Are confident, personable and have a track record of exceptional delivery preferably with a "Big 4" consultancy
- Have impeccable programme and project management credentials, in either public or private sectors
- Are comfortable with and have experience of business development activity within your consulting career
- Are familiar with all elements of the delivery lifecycle
- Have motivation, drive and an appetite for risk
- Share our enthusiasm both for delivering client success and developing the firm
- Embrace values of trust, innovation, integrity, empowerment and delivery excellence
- Wish to grow with the firm

LOC is a specialist delivery consultancy that will take responsibility for entire programmes or projects, or discrete pieces of work. We expect a great deal, but offer a great environment to learn and build your career:
